

Aboriginal Bachelor of Education Degree Program
Primary and Junior Divisions

Teach the Next Generations

Providing our children with a great education is important. This Aboriginal Bachelor of Education Degree program is offered in partnership with Brock University and provides specialized training for teachers working with our Indigenous children in Grades K-6. We intertwine Western and traditional learning approaches, focusing on Turtle Island Indigenous cultures and issues. With Oshki-Wenjack's unique cultural, community-based learning approach, students take the majority of classes online with face-to-face classes in Thunder Bay two times each semester. Placements begin in Year 3 to provide students hands-on learning in the classroom.

Upon successful completion of this degree program, graduates may be recommended to the Ontario College of Teachers for membership and to receive their Ontario Certificate of Qualification.

Please note: Low enrolment may result in cancellation of this program
